

Brussels Airport's train station has **automatic ticket access gates**. To enter or leave the station, all passengers (domestic and international traffic) have to scan their ticket.

Below is an explanation on how passengers can open these gates using the **square barcode** on the ticket.

**IMPORTANT INFORMATION HOW TO ENTER OR LEAVE BRUSSELS-NATIONAL-AIRPORT STATION**

- 

**1.** Go to a gate with a green arrow.
- 

**2.** Hold the barcode on your ticket over the lit-up area at your right-hand side until the display turns green.
- 

**3.** The gate opens. You can pass through.
- 

**4.** Do you require assistance? Please ask a member of staff.
